Orion Pedestrian Swing Gate

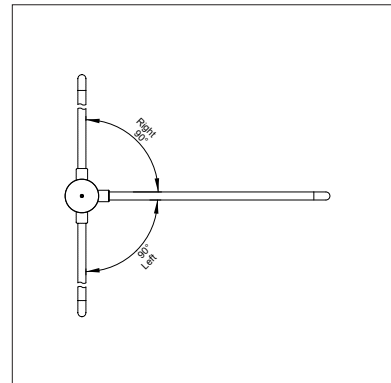

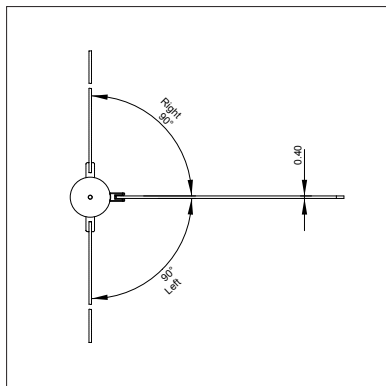

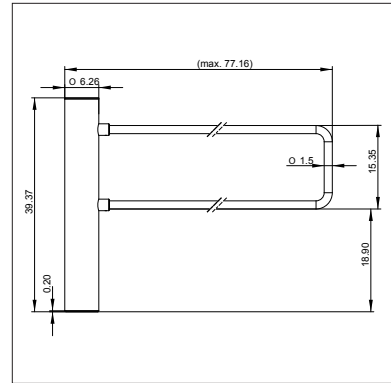

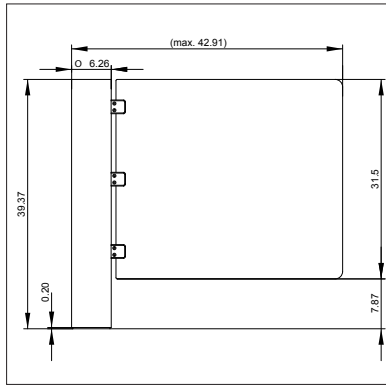

Optional Clip Style

TURNSTILES.us offers a swing gate to fit any lobby or entry way. Use the OPSG as a single gate for small deliveries, or two can be used as a barn-door type entry for larger needs.

The **Orion Pedestrian Swing Gate** is designed to control pedestrians entering or exiting restricted areas in low security applications, usually under surveillance. Automated operation is possible in either one-way or two-way bi-directional mode. Stainless Steel finishing is standard.
